

# Bit to Byte

## Post-Donation Tracking

- After providing the needed information, you will select donate and receive a receipt with Bit to Byte's Tax ID information provided for tax-exempt purposes via email.
- The donor will receive a notification when their donation (any amount) is used to fund a proposal. They will receive the same proposal reviewed by the Bit to Byte: STEM Hub review team. Throughout the proposals lifespan, the donor has the ability to turn on/off notifications of milestones reached by the individual from the proposal they helped make possible!
- The Bit to Byte: STEM Hub donation process is for the donor to keep up-to-date with whom their donation is impacting. Donors can select to not receive updates from Bit to Byte: STEM Hub in the email sharing their donation receipt.
- If you'd like to play a bigger role in supporting students and teachers, email [info@bittobyte.org](mailto:info@bittobyte.org) and express your interest!
